My name is James Martin Driskill and I am located in the city of San Bernardino CA the Riverside Field office of the FBI is my most local outreach to my needs to find a "direct real person advocate" in the effective adaptive realism in several factors.

Since July of 2017, my efforts to bring forward the awareness of these matters have hit the attention of FBI onlookers.

My residence was visited by two agents dispatched from the Los Angeles Field Office and one agent was dispatched from the Riverside office to conduct a short interview. These visits were based on what I would call my "public awareness / social media campaign to the issues.

In my most recent and desperate attempts in the recent months, I declare these matters are of grave concern that law enforcement policing policy must have a special interest to ignore me.

There is no need for introductions here. This holds true because I have the intellectual property holdings and internet cyber identities of one of the most unique namespaces to ever exist on the planet earth for peacebuilding.

[See Below - Onyakopon Aniwa - God's Eyes Sees All Secrets - on our Visiting  UAP Presence In Our Skies of the Planet Earth]

I do believe that I have finally hit the wall of a nerve of a REAL DOCTOR that has a REAL RISK / JEPARADY of considerable LOSS in CAREER BASED CASUALTIES by CARRYING ON with the STATUS QUO COVER-UP [DEFENSE] of the SECRETIVE CONSPIRACY AGENDA. It has taken me quite a turn, but I do believe in this case, I have the upper edge of the debate that does not allow the doctor to skit by with deceptions and unjustified slamming activities to shut me out of the debate and discussion of the truth.

No matter what you consider your role here.

[1] An outsider to the circle of knowledge.

[2] An outsider to the circle of influence.

[3] A disinterested party of non-interference.

[4] An insider to the circle of secrecy.

[5] An insider to the instructive/directives of maintaining control of the governmental justifications that can't be sold to our citizenry any longer.

In all of my efforts since July 2017, to the public awareness of what has happened individually to me..... I declare these circumstances to be:

Matters of Legal Necessity!

Matters of National Security!

Matters of Imperative Paramount Priority!

Matters of 911 Type-Involvements Emergency!

I realize that your "legal agency" holds a different standard than my "moral agency" on these matters. But, if you were to actually understand the entire multiplex interlinking associations, you might come to the same conclusions as I have. But that would of course require you to first [1] release yourself to forevermore ignore me, [2] understand the truth [if you are an outsider and [3] realize that I am addressing and maintaining myself to know who, what, why, and how these are directly assigned onto what happened on January 6th, 2021 at the Federal Capitol Building in Washington DC.

Would you please -- for COUNTRY SAKES and CONCERNS -- please assign individual staff personnel as a handler to the content that is being directed into your processing today - January 29th, 2022, please.

My blood cousin, retired FBI Agent John Michael Talbot - Born in Riverside California - on September 1st, 1963 will be contacted to perform a communication bridge on these imperatives for sure if my Doctor's Appointment on February 3rd, 2022 at 5:40 pm with Doctor Hozair Syed MD of Inland Psychiatric Medical Group [inlandpsych.com] by way of teleconferencing fails.

Below Holds the Mail Tracking App Email Data for the recent Emails that have been directed to the Federal Law Enforcement Agencies that must be engaged in these matters - as UNDECLINABLE / INDECLINABLE DELIVERANCE of the TRUTH!

Our Society MUST FOCUS on TRUST and REBUILDING TRUST as its PARAMOUNT PRIORITY!

That is a matter of trust and of our social relationship to the source of information. So, the politicisation of the pandemic, the creation of a sense of an establishment enemy who wants to control us is certainly important. It makes the establishment of trust an absolutely critical aspect of the pandemic and hence such things as transparency, respect, clarity etc. become critical."

He added: "But telling people who disagree with you that they are deluded and in a state of psychosis is essentially a device to silence them and a form of disrespect. It alienates and hence undermines an attempt at dialogue. It isn't an explanation of the problem; it is part of the problem."

IN LIFE TO DEATH, IN EVERY SINGLE ACTION THAT A HUMAN MAKES - IT IS REQUIRED UNDERSTANDING OF A FUTURE SHARED TIME WITH ARTIFICIAL INTELLIGENCE!
